

## Medialift Srl : One – stop – shop for Lift Companies!

**Medialift Srl** can offer a **full range of products and services to the Lift Companies**, thanks to an established background and proven technical knowledge of the lift field . We have agreements with the leading lift components manufacturers, without being contractually linked to any of them. This enables us to always offer the best technical –commercial solution for the specific customer requirement, **as this is our key objective.**

Some examples of the lifts that we can supply:

### **Ecofluid** The Energy Saving Hydraulic Lift **CAR LOAD FROM 450 TO 600 KG** **(MRL VERSION ALSO AVAILABLE)**

- Ecofluid lift is equipped with a balancing weight and a new, energy-efficient power unit that **significantly reduces energy consumption** and improves operating comfort.
- Ecofluid works with a **43% less powerful motor** than a traditional hydraulic lift.
- The **SHAFT DIMENSIONS** are the same as the **STANDARD** ones.
- Ecofluid can also be supplied in a roomless version with the **MRL Power Box** (see picture below).
